

H91 and J&F 3.1 - Winning National Pair at the Bendigo Sheep and Wool Show in July 2015

The 2015 season is turning out to be a fairly promising one, with the good early rain followed by great late winter rain, let's hope everyone receives a kind spring to finish off the season.

We have had a lot of success this year at the Shows; At the South Australian Field Days in March J&F 3.1 won Champion Ram of the Year and then teamed up with our top ewe H91 to go on to win Champion Pair to represent South Australia at the Bendigo Sheep and Wool Show.

At Hay Sheep Show in May J&F 4.11 won Champion Autumn Shorn Ram and the Champion South Australian Hoggett Ram.

In July at the Bendigo Sheep and Wool Show our pair J&F 3.1 and H91 from the SA Field days were triumphant in winning the National Pairs, this is the first time South Australia has ever won this prestigious award. J&F 3.1 also won Grand Champion Strong Wool Ram with H91 winning Grand Champion Strong Wool Ewe, continuing the success for the Merinos had J&F 4.11 winning Champion Autumn Shorn Strong Wool Ram.

The Poll Merinos were also successful at Bendigo with PM 345 (Oscar) winning Reserve Champion All Purpose Class and Reserve Champion Autumn Shorn Medium Wool Poll Ram from a class of 45 entries.

Just recently in Crystal Brook PM 345 (Oscar) won Reserve Champion Autumn Shorn Poll Ram, with J&F 3.1 winning Champion Strong Wool Ram and J&F 3.3 winning Champion Medium Wool Ram. Not to be out done by the Rams H91 won Grand Champion Ewe.

H91's achievements has brought about a lot of interest, following our return home from Bendigo an interested party from Argentina came to have a closer inspection resulting in a sale to Emiliano Lopez of Indalo Stud, Argentina for an Australian record price of \$20,000. She will be flushed prior to leaving and will be used in our first embryo transfer programme.
